Attention: H. Thomas Wells Jr.

Dear Tommy:

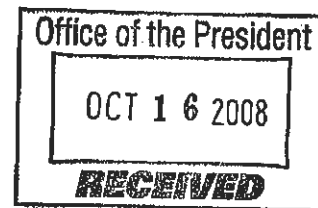

It was a pleasure seeing you in London on the occasion of the Opening of the Legal Year. This time round, it was my first official visit abroad and I must say it was great sharing this event with my colleagues from the American Bar Association.

My wife Denise and I enjoyed having dinner with you and Jan at the Marsh's townhouse. It was a superb evening and a wonderful opportunity to get to know each other better.

I look forward to working with you during the upcoming year on projects that might be of mutual interest to our respective associations. The CBA and ABA have a long-standing relationship of collaboration and friendship which I know we will continue to foster during our respective terms.

Cordially yours,

J. Guy Joubert
Président
