Part of the Law Commons
Message from the Dean

It is with a great sense of pride that we publish this directory through which to introduce the outstanding 1984 graduating class of The University of Alabama School of Law. These graduates, 162 in number, were admitted through a process that affirmatively and energetically seeks out the best and the brightest.

Our students have been subjected to a rigorous and demanding course of study --- both theoretical and practical. Viewing the law as a jealous mistress is still in vogue at The University of Alabama. The faculty is composed of men and women who are graduates of the finest colleges, universities and law schools, both here and abroad. Their expertise, combined with the hard work of students, has resulted in graduates who are prepared to become excellent lawyers.

We cordially invite you to use our placement facilities and to talk with our fine students. We believe that you will be impressed.

Yours sincerely,

Charles W. Gamble
Career Planning and Placement Program

The Law Career Planning and Placement program's primary goal is to match the educational and experiential skills of law students with the particular hiring needs of employers. In addition, the program provides students with valuable information concerning resume writing, interviewing skills, and job search techniques. We encourage all employers, from the traditional law firm to the insurance company or institution of higher learning, who are hiring attorneys, to contact the Career Planning and Placement Office (205/348-6479), Law School, University of Alabama. Penny J. Parker, the Director of the program, serves as a liaison between students and employers. Let Ms. Parker and her assistant, Judy Green, assist you in finding the professionals you need.

Penny J. Parker, M.Ed., helps students assess their goals and experience as part of her work as Placement Director.

Judy Green, assistant to the Placement Director, helps coordinate interviewing and tracks statistics on University of Alabama law alumni.
Student Body Profile and Activities

The Law School graduates approximately 155 students per year. Total full-time enrollment for the school year 1982-1983 was 485. Over 700 applications from 13 different states and 78 schools were received for the fall of 1982. The 1982-1983 entering class of 155 students had a mean average LSAT of 608 and a QPA of 2.36/3.0. Approximately 40% of the same class were women and 10% were minorities.

Placement Survey of 1982 Graduates

A January 1983 survey of the graduates of 1982 reveals that, despite the recession, lawyers' salaries are up over the previous year. While the majority of students still practice in Alabama, increased numbers of new law graduates accept out-of-state offers. A significant number of students are also accepting corporate/business and government-related legal positions. The Placement Office reached 89 percent of the 1982 class to determine the following responses.

Ms. Parker encourages recent alumni to inform her office of their job status.

Placement Services

On-Campus Interviews

We encourage on-campus interviewing for employers who would like a cost-effective and time-efficient means of interviewing highly qualified students in a convenient location during a concentrated time span. The smaller, as well as the larger, law firm or legal employer can benefit from this organized method of fulfilling hiring needs. Employers may request the option of receiving resumes 10 days prior to their on-campus date, and may pre-select those students they wish to interview based on previously stated criteria. The Placement Office will schedule interviews for employers with second and third year students during the academic year (see On-Campus Interview Request form for specific dates), and with first year students during the spring semester. Interviews for the fall semester of any year may not be scheduled before April 1 of the previous year. Spring interviews may be scheduled at any time.

The Career Planning and Placement Office

The Career Planning and Placement Office is located in Room 154 of the Law School and is open from 8:00 a.m. to 4:45 p.m., Monday-Friday. Call the office, or drop the attached On-Campus Request Form to schedule an interview date or for more information. An on-campus reservation form and National Association for Law Placement Data form will be mailed to the employer, who should return these as soon as possible with at least two copies of the firm resume, corporate report, or business description to the Placement Office.

Off-Campus Interviewing (Resume Referral)

Employers who cannot or do not wish to interview on-campus may call or send descriptions of positions available. The Placement Office will post the opportunity, collect resumes, transcripts, etc., to the employer's specification, and forward these in a packet. Employers may choose, instead, to have the students contact them directly.

Alumni Placement

Employers seeking experienced attorneys may also list opportunities with the Placement Office and are encouraged to contact the office when such lateral opportunities become available. The Placement Office circulates a quarterly listing of all available opportunities to those alumni who have requested this service. Alumni may contact the employer directly or the employer may request that resumes of qualified alumni be forwarded.
Southeastern Law Placement Consortium (SELP)  
The University of Alabama School of Law is one of ten member Southeastern law schools who participate in recruiting conferences each year in Atlanta, Georgia. Students from all schools and employers nationwide cooperate in the Fall conference, which is the largest and most successful cooperative off-campus interviewing program for large law firms in the U.S. This conference occurs annually in October.

Nondiscrimination Policy  
The University of Alabama School of Law is a member of the National Association for Law Placement (NALP). Our placement program and school are committed to a policy against discrimination based on sex, race, color, religious creed, age, physical handicaps, or national origin. The facilities and services of the Placement Office and Law School are available only to those employers who are in agreement with the above policy.

For more information or interview inquiries, please contact:

Penny J. Parker, Director  
Career Planning and Placement  
School of Law  
University of Alabama  
Box 1435  
University, AL 35486  
(205) 348-6479

On-campus interviewing gives employers an opportunity to meet several students conveniently and quickly.
**VAL HAIN BEERS**
