CAREER SERVICES OFFICE
EMPLOYER'S GUIDE

Classes of 2005-2006
The Career Services Office (CSO) offers a variety of services to our students, alumni, and employers. One of these services is the publication of this student guide for employers. The guide is widely distributed to on-campus interviewers, the Alabama judiciary, job fair participants, and other employers who request copies. The Career Services Office also offers employers services such as on-campus interviewing, resume forwarding, free job posting on our Student Employment Bulletin and the Alumni Job Bulletin, and the opportunity to participate in job fairs and career-related programs.

On-Campus Interviewing
Reservations for fall on-campus interviews begin in the previous spring (usually late March). Employers may interview only second- and third-year students in the fall. Reservations for spring on-campus interviews begin the previous fall, usually in October. Employers may interview first-, second-, and third-year law students in the spring.

Resume Forwarding
The CSO will collect and forward resumes to employers who post job openings through our office. This process occurs year-round.

Student Employment Bulletin
Employers who wish to hire law clerks or recent graduates may post their job listing on our Student Employment Bulletin, which is available online and on our job boards within the law school building.

Alumni Job Bulletin
Employers seeking recent graduates or experienced attorneys are encouraged to post their job opportunity in our Alumni Job Bulletin free of charge. The Alumni Job Bulletin is available online at www.law.ua.edu/placement. A password must be obtained from the CSO to gain access to the listings. Access is available only to University of Alabama law graduates. A hard copy may be purchased by non-graduates.

Programs
Programs sponsored by the CSO are designed to educate and inform our students as well as to broaden their knowledge of career opportunities. We welcome volunteer speakers and ideas about program content.
